# What It Means to Be a Sensei

*"Sensei literally means 'one who has gone before' - devoted to mastery in the art of living"*

## The Way of Budo

- Strong, therefore gentle
- Courageous, yet kind
- True power is quiet
- Confidence is humble

## Living as a Sensei

Practice Kaizen - continual improvement. Every moment, movement, and mistake is part of evolution.

A guardian of peace, people, and purpose. Hold space for others to grow and awaken.

The real battle is within. The real victory is mastery of self.

---

**The world needs more Senseis** - steady, embodied humans who live their truth and lead with love.
